On-Line Permitting is an optional internet service provided by Tyler Technologies and the City of Seminole, Florida. This internet service is provided without additional convenience fees. The permit fees associated with the issuance of a permit are the same as those assessed if the permit was obtained directly from the City Building Division. Refunds of permits obtained in error are not available. The user is advised to proceed carefully.

GENERAL CONDITIONS

On-Line permitting is available for a limited number of permit types. For list of available permit types, [click here](#)
If, subsequent to the issuance of an On-Line Permit, it is determined that plans or other reviews are required for the work to be undertaken, the Building Official may revoke the permit or suspend the permit until such time as proper reviews and approvals are obtained. As the Applicant I understand I will be given written notice of such revocation or suspension. Such written notice shall be in the form of electronic mail to the electronic mail address provided below. If, during the inspection(s), it is found that the on-site work or product(s) does not match with the information provided in the application, a Correction Order may be given.

All work authorized by an On-Line Permit must comply with all applicable state and local statutes, ordinances, rules, regulations and codes. All work authorized by a permit is subject to the appropriate inspections.

I certify that I have read the information and conditions of my receiving and issuing permits using On-Line Permitting System. I agree to comply with all applicable state and local statutes, ordinances, rules, regulations and codes relating to construction and authorize representatives of the City of Seminole, Florida to enter upon the property for inspection purposes.
